The United Doctors Cure Where All Others Fail

Read This . Proof of a Wonderful Cure Effected by the United Doctors-Who Are Located at 306-308-310-312 Lyric Building, Richmond, Va.

A lady walked into our offices a few days ago and asked to see our Specialist. As soon as the Doctor could leave a patient he walked into the reception room to ascertain just what the lady wanted. "Doctor," she said, "I want to know why you have stopped using my testimonial in your advertisements? I want you to put it in agin, because I want to be able to tell the people who write and call me just what you have done for me, and how glad I am to recommend your services."

Read this lady's statement below, and write her for particulars if you desire.

Mrs. J. R. Fitch, of 2520 Venable Street, wife of Clerk of Commissary, Southern Railway, is self-explanatory: The United Doctors, Richmond, Va.:

I wish it were possible for me to come into contact personally with sufferers from Rheumatism, that I might tell them of the wonderful cure the United Doctors have ef-

I was a sufferer for many years to such an extent that life was practically nothing to me. I could not raise my arm, and could hardly walk. I visited a number of doctors, but none gave me relief. After spending all the money I had, I was prevailed upon by a lady friend, whom you had cured of some other trouble, to visit your offices as a last resort. I thought I would be only wasting my husband's hard-earned money. After a consultation I was convinced that you could help me. After talking the matter over with my husband and after repeated urgings by my friends I took the treatment.

The United Doctors cured me. To them I am indebted for the restoration of life and health, after all others had failed. After two and one-half months' treatment I am absolutely cured.

I want you to publish this statement, and I want all who may need treatment, who suffer, to write me, that I may in a small way repay you by telling them more fully of your wonderful work. A number of people have already written me, and I want the interested ones to continue to do so. MRS. J. R. FITCH.
